

Introducing Our Brand New Online Design Tool

Say bye-bye to taking follow-ups! We want you to create your personalised products finally, as you want! We bring you an online editor that can help you design your ideas and display your creativity as you want. From uploading photos to editing them with our tool features, here's a step-by-step guide on how you can create custom photo pillows with us.

Step 1: Choose Type, Size and Material

Select your preferred type of photo pillow you want to personalise with us.

1. **Select Type:** Click on Pillow out of two options: Cover and Pillow.
2. **Size:** Choose from 14 custom sizes to style your pillows.
3. **Material:** Select from polyester and blended polyester material.

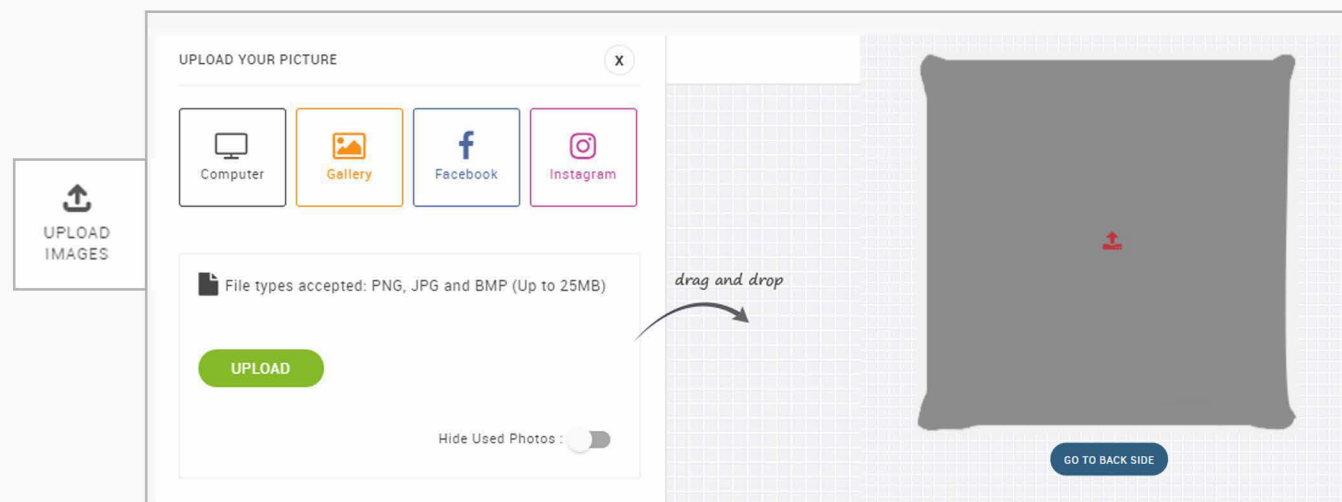

The screenshot shows a customization interface for a photo pillow. On the left, a sidebar contains a 'SIZE & MATERIAL' icon and three numbered steps: 1, 2, and 3. The main interface is divided into three sections: 'SELECT TYPE', 'SELECT SIZE', and 'SELECT MATERIAL'. The 'SELECT TYPE' section has two radio buttons: 'Cover' (unselected) and 'Pillow' (selected). The 'SELECT SIZE' section displays 14 pillow size options in a grid: 12"x12", 14"x14", 16"x16", 18"x18", 20"x20", 22"x22", 24"x24", 26"x26", 12"x16", 12"x18", 10"x24", 20"x26", 20"x20", and 20"x26". The 12"x12" size is selected with a checkmark, and the 24"x24" size is highlighted with a red border. The 'SELECT MATERIAL' section has two radio buttons: 'Pure Polyester' (selected) and 'Blended Polyester' (unselected). On the right, a large gray pillow is shown on a grid background. A yellow banner above the pillow says '+ Click and drag within the print lines to Adjust your Photo.' A red upload icon is centered on the pillow. A 'GO TO BACK SIDE' button is located at the bottom of the pillow area.

Step 2: Choose and Upload Images

We give you four options to import your photos to our online design tool.

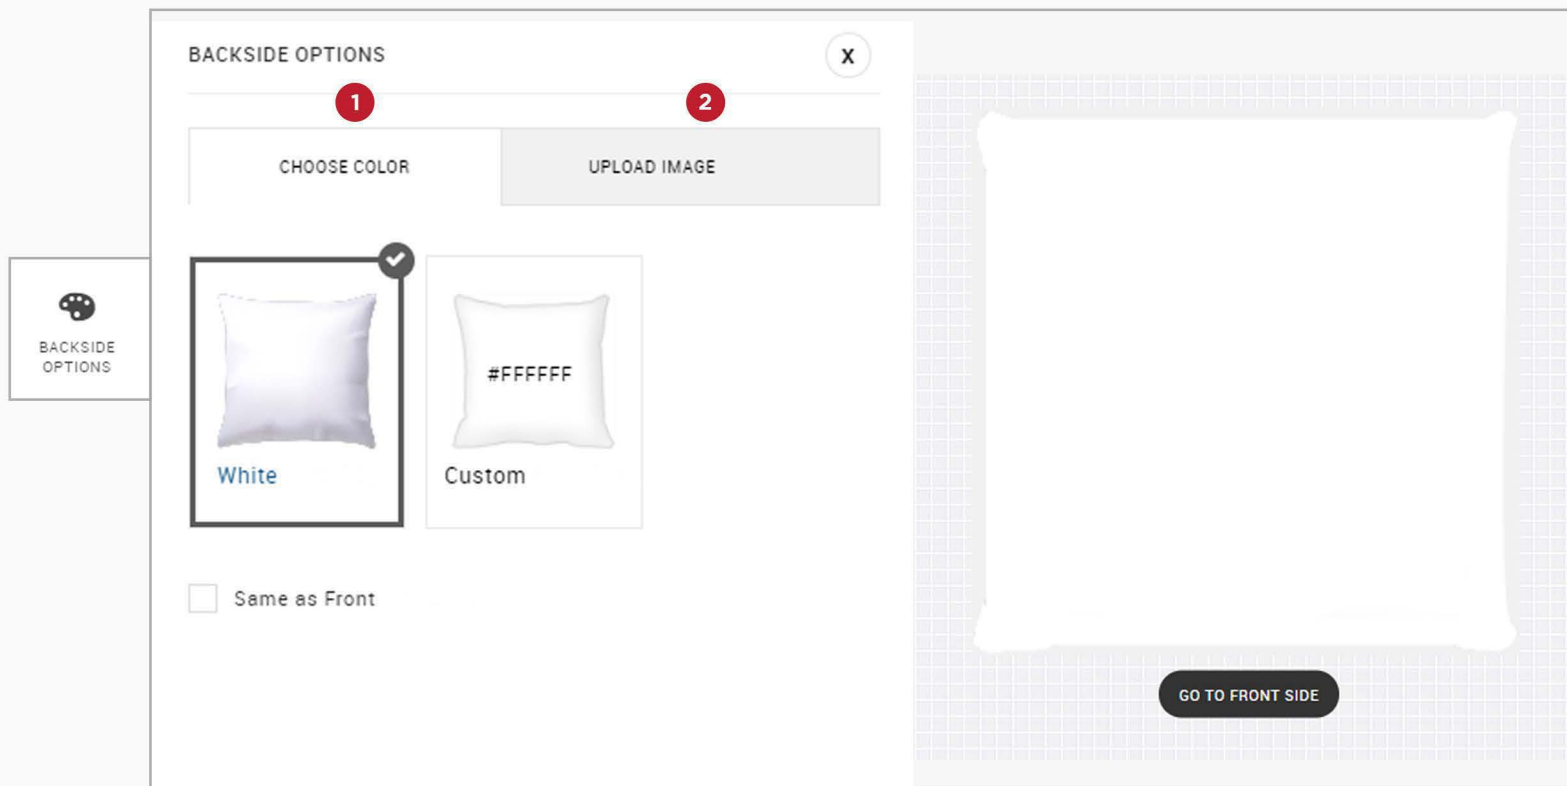

1. **Computer:** Choose images from your device
2. **Gallery:** Select images from our online gallery for ideas
3. **Facebook:** Log in to your FB profile and import pictures from your account directly.
4. **Instagram:** Log in to your Insta profile and extract the best images for photo pillow personalisation.

Drag and drop the image you want to print on the pillow to better view how the photo pillow will look.

Step 3: Choose What to Do With the Back of the Pillow

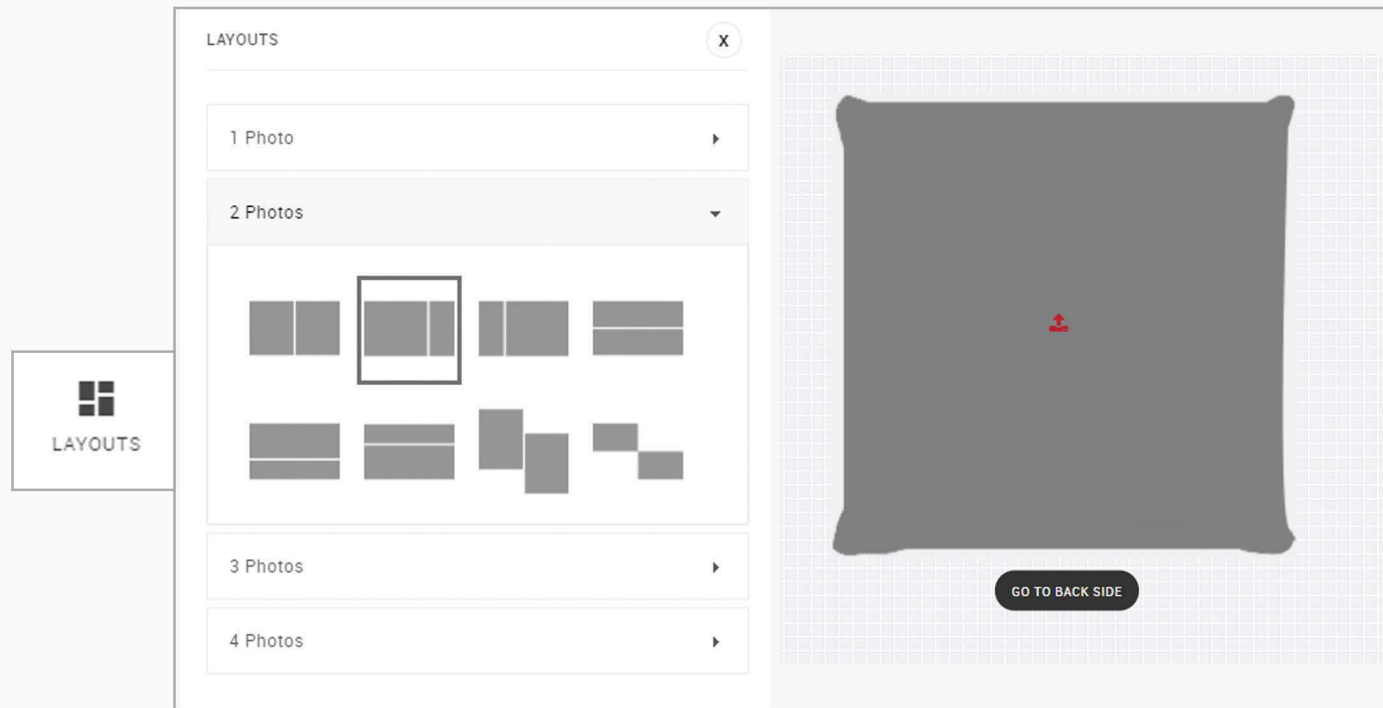

- 1. Choose Colour:** We give a white colour option by default for free to go with your pillow. You can choose a custom colour to match the image in the front as well.
- 2. Upload Image:** If you want another image at the pillow's backside, you can do it by uploading an image in the Upload Images section.

Step 4: Choose a Layout

The layout option is only available for the front side of the pillow. You can choose up to four images with different arrangement options to go in the front.

1. 1 Photo Layout : Single picture
2. 2 Photo Layouts : Eight photo arrangement options
3. 3 Photo Layouts : Eight photo arrangement options
4. 4 Photo Layouts : Fourteen photo arrangement options

Step 5: Add a Special Message

Make your pillow look unique with captions and particular texts on it with our Text option.

1. **Select Font:** Choose from 21 font options to make your text look suitable
2. **Font Size:** Choose from 15-50 font size to make your message clear.
3. **Font Colour:** Choose from 60 different colours to make your text pop out.
4. **Font Alignment:** Three alignments - left, centre, right
5. **Font Style:** Four options - bold, italic, strikethrough, underline
6. **Arc Text:** Curve your text

The image shows a user interface for adding text to a pillow design. On the left, a panel titled 'ADD TEXT' contains several options: a text input field with 'Alison brown', a 'Select Font' dropdown menu showing 'Lobster Two', a 'Font Size' dropdown menu showing '24', a 'Font Color' selection box, a 'Font Alignment' section with three icons (left, center, right), a 'Font Style' section with icons for bold (B), italic (I), strikethrough (ABC), and underline (U), and an 'Arc Text' checkbox. A red circle with the number '1' is next to the font selection, '2' next to font size, '4' next to alignment, and '6' next to the Arc Text checkbox. To the right of the panel is a preview area showing a photo of a baby wearing goggles, with the text 'Alison brown' overlaid at the bottom. A red circle with the number '3' is next to the photo, and a red circle with the number '5' is next to the text. A yellow banner at the top of the preview area says 'Click and drag within the print lines to Adjust your Photo.' A 'GO TO BACK SIDE' button is at the bottom of the preview area. A red circle with the number '1' is also next to the 'ADD TEXT' button on the far left.

Step 6: Add Symbols and Clipart

Instantly fashion unique symbols on your photo from our clipart collection to make your photo pillow look funky and hip.

The screenshot displays a photo editing application interface. On the left, a panel titled "ADD CLIPART" contains a grid of 18 different symbols and icons. A red border highlights the palm tree icon in the second row, second column. Below this panel is a button with a paw print icon and the text "CLIPART". On the right, a large photo of a sunflower is shown. A yellow instruction bar at the top of the photo area says "Click and drag within the print lines to Adjust your Photo." A red rectangular frame is overlaid on the bottom right of the sunflower, and a black palm tree clipart is placed within this frame. A trash can icon is visible over the sunflower's center. At the bottom right of the photo area, there is a dark button labeled "GO TO BACK SIDE".

Step 7: Preview and Add to Cart

Once you are done designing your photo pillow, you can preview it from the top-right corner 'Preview' button.

Click on add to cart to take you to the payment page to add your address and payment details.
